

North
(yi-) bay

West (yi-) gerring

(yi-) corro East

(yi-) walam
South

(yi-) is the Allative prefix 'to, towards'
if you're say something is 'in' the north
or you're just pointing to the north you
just say 'bay'.

The Ablative forms are

bayela
gerringela corrowala
walambala

but they're not $\frac{2}{3}$ used much.

(yi-) garra up, uprises
↑

↓
(yi-) yerreh down, downrises

garra k gah) 'on top, outside'
yerre k gah) 'down the bottom, inside'

nurru - rabona [direction]
2 pl go + FUT
'you mob go!'

nurru - ~~rabona~~ wakgena yungguwala
2 pl -return + FUT this way
'you mob come back this way'

for 'direction to' you can substitute
the allative forms of direction terms.
for 'direction from' the ablativ forms.
