g. Sometimes you talk about another person. In Ngalakgan, you always have to say if that other person is a man or woman. This is how you do it:

If the other person is a woman † (or girl) you put "ju-" in front of it like this ⇨ ju-manang (mami).

If the other person is a man † (or boy) you put "nu-" in front of it like this ⇨ nu-mokgol (dedi).

Go back to a. and b. and f. and write in ju- in front of all the † words.

Go back to a. and b. and f. and write in nu- in front of all the † words.

h. It is very important to put ju- or nu- in front of some words. Who do you call "nu-girndarr"?

Who do you call "ju-girndarr"?
